

We work for
tomorrow

UNIVERSITÄT GRAZ
UNIVERSITY OF GRAZ

Apply now

At the University of Graz, researchers and students work across a broad disciplinary spectrum to enlarge our knowledge, and find strategies to deal with challenges our society is confronted with and to shape tomorrow's world. The University of Graz is a place which combines high quality academic research and teaching, where achievement is rewarded, careers are promoted, and social diversity is encouraged – all within a modern, award-winning working environment. Our motto: We work for tomorrow. Join us!

The Institute of Mathematics and Scientific Computing is looking for a

University assistant without doctorate (m/f/d)

30 hours a week

fixed-term employment for 4 years*

position to be filled as of now

Your duties

- Independent research in the field of mathematics
- A dissertation in the field partial differential equations
- Present and publish scientific results at (international) conferences and in peer-reviewed scientific journals
- Conduct and assist in teaching activities (2 hours per semester in average) in English and/or German

Your Profile

- Completion of an M.Sc. degree (or equivalent) in Mathematics or related field prior to appointment
- Enthusiastic researcher with interests in analysis and applications of partial differential equations
- Strong background in mathematics, specialising in analysis and/or partial differential equations
- Very good command of English; proficiency in German is beneficial, but not required
- Ability to work in a team and social competence

Our Offer

Classification

Salary scheme of the Universitäten-KV (University Collective Agreement): B1

Minimum Salary

The minimum salary as stated in the collective agreement and according to the classification scheme is EUR 3.058,60 gross/month (for full-time employment). This minimum salary may be higher due to previous employment periods eligible for inclusion and other earnings and remunerations.

We offer you a job with a lot of responsibility and variety. You can expect an enjoyable work climate, flexible work hours and numerous possibilities for further education and personal development. Take advantage of the chance to enter into a challenging work environment full of team spirit and enthusiasm for your job.
